Date: July 14, 2026 (Quarterly Membership Meeting)

Location: Washington Art Association & Sunshine Center (hybrid with Zoom participants)

Call to Order

The meeting was called to order, and members were welcomed. An apology was offered for technical and studio setup issues before proceeding with committee reports.

Treasurer's Report

Presenter: Bob Whelan, Treasurer

Financial Position

The Treasurer reported that the Association remains in a very strong financial position.

Current assets included:

- Approximately **\$487,000** invested with the Northwest Connecticut Community Foundation, earning approximately **17% annual returns** since 2025.
- Approximately **\$50,000** invested in a Fidelity mutual fund established in September 2025, with approximately **10% return** to date.
- Approximately **\$4.18 million** held in Fidelity money market accounts.
- **Total organizational assets:** approximately **\$4.74 million**.

Operating Results

Revenue highlights through June 30 included:

- Exhibitions: approximately **\$19,000** against a \$25,000 annual budget.
- Education: approximately **\$104,000** against a \$110,000 budget.
- Membership dues: approximately **\$19,700**.
- Donations (excluding the Peckerman gift): approximately **\$78,000**, significantly exceeding budget projections.

Expenses included:

- Payroll and benefits: approximately **\$96,000** versus a \$100,000 budget.
- Education expenses: approximately **\$76,000**, slightly above budget.

Investment income generated approximately **\$37,000** in dividends during the first half of 2026.

Investment Strategy

The Finance Committee recommended:

- Maintaining **\$750,000** in Fidelity for anticipated capital improvements.
- Moving **\$500,000** into National Iron Bank's higher-yield money market account.
- Implementing a zero-balance operating checking account to maximize investment earnings.

The committee also recommended transferring approximately **\$3 million** into the Northwest Connecticut Community Foundation investment pool to create a long-term endowment.

The Treasurer explained:

- Funds remain fully accessible.
- A policy limiting annual withdrawals to approximately **5%** would provide long-term financial discipline.

- Estimated annual operating support from investments would range between **\$175,000–\$200,000**.

Discussion

Members discussed:

- Investment risks.
- Community Foundation management.
- Long-term investment performance.
- Developing a formal investment withdrawal policy through future bylaw amendments.
